FOR THEIR GENEROUS SUPPORT

UNITED TRAILS POKA-BACHE CONNECTOR

The Poka-Bache Connector will link Pokagon State Park in Angola to Ouabache State Park in Bluffton. The 81-mile trail will bring the communities of Steuben, Dekalb, Allen and Wells counties together.

This trail is a crucial part of the Northeast Indiana United Trails Regional Trail Network. It is planned as a destination for tourists and a source of cultural growth for all four counties.

Ultimately, this trail will solidify the fact that Northeast Indiana is a thriving, culturally rich, active, and healthy community that's a fun place to visit and a great place to live.

The Poka-Bache Connector is highlighted in yellow on the trail map.

CONNECTING COMMUNITIES

THE MISSION OF FORT WAYNE TRAILS

is to partner with communities throughout Allen County, Indiana, to promote the equitable development and maintenance of trails. We advocate for a safe, accessible trail system that improves the quality of life, encourages economic development, and connects county residents to their neighbors, nature, workplaces, schools, and other community assets.

RULES OF THE TRAIL

BE SAFE. BE KIND. BE RESPECTFUL.

- Stay on the trails. Do not enter private property or cross through the yards of homes along the trail.
- Be aware of your surroundings and other trail users. When wearing headphones, please keep one ear uncovered.
- Yield to slower trail users. If you have stopped, please move just off of the trail.
- Bicycle speeds should be leisurely, keeping a safe distance from other trail users.
- Please keep to the right and pass on the left. Tell people that you would like to pass prior to passing. Ringing a bell or calling out, "On your left," works well.
- Stop for cross traffic.
- Obey all traffic signals and signage.
- No motorized equipment except official and emergency vehicles, and electric personal assistive mobility devices.
- No snowmobiles.
- No horses.
- If you bring it to the trails, take it when you leave. Never, ever litter.
- Dog Owners: Please keep your pet on a short leash, pick up and discard waste in a trash receptacle. If a receptacle is not available, please carry it home.
- Always leave the trail better than you found it.

ACCESSIBILITY

Most of our trail system has been built following ADA guidelines, or has been upgraded in recent years. Please contact Fort Wayne Trails if you have questions about particular sections.
