20 MINUTES TO DOWNTOWN

The downtown trail map is easy to use when you're coming to Fort Wayne. It includes trails and bike lanes as well as many smaller streets and sidewalks that make walking and biking safe, easy, and more fun than driving.

On the map there are two large circles that show 1-mile and 3-mile distances from the Allen County Courthouse. From anywhere within the orange 1-mile inner circle, you can walk to downtown in about 20 minutes. From within the green 3-mile outer circle, you can ride your bicycle to downtown in 20 minutes or less.

A round-trip of 6 miles is a 40-minute workout, saving you a trip to the gym! It's a healthy, environmentally friendly way to go to work, festivals and events, restaurants, museums, and shopping.

Using the trails to get to where you want to go is great for wellness, relaxation, fitness, and the environment. See you on the trails!

RULES OF THE TRAIL
